

About:

UTS Tech Festival aims to bring together students, academics and industry to foster learning, inspiration, share ideas and promote innovation!

This is the 4th iteration of the UTS AI Showcase, that showcases Artificial Intelligence (AI) and Deep Learning projects developed by undergraduate, postgraduate, and higher degree research (HDR) students from the Faculty of Engineering and IT (FEIT).

UTS Tech Festival 2024

AI Showcase

June 20, 2024, 3pm - 7pm

**Program
Booklet**

Program:

Time	Event Details
3:00 pm	Opening ceremony Room# 11.04.401
3:15 pm	Presentation by ServiceNow Room# 11.04.401
3:40 pm	AI Project Showcase begins Room# 11.04.400, 300, 301,205
3:40 pm	Judging begins
4:30 pm	Drone and Car Demo Room# 11.04.205
5:30 pm	Food & Drinks available
6:00 pm	Judging and voting concludes
6:05 pm	Presentation by Microsoft Room# 11.04.401
6:00 pm	Judging and voting concludes
6:40 pm	Showcase winners announced Room# 11.04.401
6:55 pm	Closing Room# 11.04.401

Projects:

Room# 11.04.400

Pod#	Student project/team name
1	EmotionAI
2	Lens Linkup
3	Herd Watch
4	FruitTale
5	Smart Wardrobe
6	LaTeX Converter
7	Multi-Person Video2Transcript
8	ErgoAmigo
9	RaceTec
10	FocusAI
11	GradeGenius AI
12	Disaster Assist Drone
13	Abandoned Luggage detection
14	Tidetip
15	LeafLens

Projects:

Room# 11.04.205

Pod#	Student project/team name
1	Gesture Fly
2	RoadWhisper

Room# 11.04.300

Pod#	Student project/team name
1	Real-time Traffic Speed Detection
2	AI-Coach
3	Pokebrokers
4	Art Restoration Using CNN
5	AI Content Detection

Room# 11.04.301

Pod#	Student project/team name
1	Advanced Kidney Vasculature
2	Using AI To Detect Cyberattacks in Real-Time
3	Automated Safety Equipment Detection System (ASEDS)
4	Racing AI
5	BrainScan
6	Semi-automated Recognition of Prior Learning
7	Where am I at UTS
